Minish Parikh, Executive Director at CIBC

Everyone thought I did a great job and was one of the best speakers including better than the keynotes... the success was because of you. If we had not worked together, it would have a different story.

Arun Bordoloi, CFO Rakuten

Having taken over 200 hours of IBM skills training, I believe this is one of our best courses. It stands out in terms of content quality, it is well organized and it is taught by distinguished instructors. The skills I learned are practical, I was able to apply them immediately, and greatly I improved my SPEAKING MASTERY and confidence.
